Letter No. C. 5221—33-34, dated the 17th August 1934, from the Revenue Commissioner in Mysore recommending sanction to the splitting up of the Rajavanthi Shanbhogi Circle in Pavagada Taluk into two circles.

ORDER No. R. 1215-18—R. M. 16-34-2, DATED BANGALORE, THE 10TH SEPTEMBER 1934.

The Rajavanthi Shanbhogi Circle in Pavagada Taluk consists of two villages Rajavanthi and Kadapalakere which are at a distance of nearly 10 miles from each other. Both the Amildar and the Sub-Division Officer consider that in the interests of Government work, it is expedient to have separate Shanbhogs for these two villages and the Deputy Commissioner agrees with them. The Director of Land Records who was consulted in the matter is agreeable to the splitting up of the Shanbhogi Circle into two separate charges namely, Rajavanthi and Kadapalakere respectively. The Revenue Commissioner supports the proposal and Government are pleased to sanction the same.

DEVELOPMENT SECRETARIAT

Directs the revival of the Board of Industries and Commerce.

ORDER No. D. 1843-911—I. & C. 47-34-1, DATED BANGALORE, THE 10TH SEPTEMBER 1934.

The organisation of the Economic Conference and its three constituent Boards was ordered to be kept in suspense in the year 1931, as one of the several measures of retrenchment for stabilising the financial position of the State. The annual provision of about Rs. 1,00,000 in the budget was deleted from the year 1931-32 and the Economic Development work was entrusted to the Heads of Departments concerned and the Deputy Commissioners of Districts.

The Department of Industries and Commerce was expected to carry on the work of the Board of Industries, and such developments in industry as have recently taken place have been mostly initiated and carried out by that Department. At present there are signs of a reawakening of public interest in the development of industries. Having regard to the present economic conditions in the country, Government feel that the time has come to revive the Board of Industries and Commerce and direct that the Board be constituted as shown below. The Board will advise Government on all questions of industrial or commercial importance which may be referred to it or which may be taken up for consideration on its own initiative.
